Easter is Special

Whilst there is much to enjoy in life, there are also times of regret arising out of our mistakes, failures, lies, deceptions and betrayal of others. Regrets that can cause great anxiety, guilt, a lowering of self worth and a questioning of our right to be loved.

Easter is the most important festival in the Christian year when we remember God's greatest sacrifice of love for humankind. A time when his only Son Jesus was betrayed, arrested, falsely accused and judged, abandoned by his friends, beaten and nailed to a cross. He suffered the cruellest of deaths at the hands of powerful and evil men, all because he loved too much. Yet the death of Jesus was not the end, on the contrary it marked a new beginning for all of us in our relationship with God.

God wants to have a one to one loving relationship with you and me, but the times when we 'mess up' get in the way, because of our feelings of shame. Jesus died on the cross on Good Friday to pay for all that we have done wrong in our lives, to secure our forgiveness and to put us right with God. We are offered a free gift of life, but in return we must be willing to accept Jesus as our personal Saviour and confess all that is wrong in our lives. The Good News does not end with Friday but reaches a climax on Easter Sunday morning when all Christians around the world will celebrate that the love of God overcame death itself when Jesus was raised from the grave.

This Easter you too can turn your life around, please stop your doubting and believe

In Christian Love

WHETSTONE "Use It or Lose It"

Lee Breckon (Clerk of the Council)

The Village has seen the loss of two established retail business's within the last 6 months. A public house and the motorcycle spares and repair shop have now ceased trading, both on the High Street. The economic climate has a part to play of course, but it is also the lack of these facilities that you only miss when they have gone. The shop local campaign culminated in a "shop local day". It was good to see one local shop highlighted in the Leicester Mercury's coverage of this campaign.

I have heard an old saying several times in conversations I have had around the village of late . " Use it or lose it". That is part of being able to shop locally. We have a host of retailers, services and businesses offering good value and essential services which are key to village life. They all need your custom, please do what you can to ensure that they stay a part of Whetstone Village life. Could you imagine having no Post Office, no Corner shop, no Newsagents, no Public Houses, no Hairdressers in the village. All essential services, please do use them, and ensure that we "keep them local".

Badgerbrook Primary School News

Badgerbrook children and staff had an exciting Autumn Term and are now well into a very busy Spring Term. Some members of Year 6, accompanied by Mrs Sutton and Mrs White, participated in the annual Whetstone Parish Council Carol Service outside the Co-op. Thank you to family and friends who turned out to support them on a very cold, wet night. The full choir took part in the Leicester Mercury 'Sing for your School' competition. Thanks to the accumulation of votes by families and friends we reached the final 10 and were judged by a panel of experts. We were really thrilled to achieve second place alongside Ratby Primary School, together with £1000 to use in school. Congratulations to Mrs White and the members of the choir who participated. Following the retiring collections after the school Christmas performances we were able to send £100 to Children in Distress, £150 to The Pearl of Africa Choir and £150 to Starlight. Friends of Badgerbrook held a very successful Christmas Fayre and raised over £3000 to be spent for the benefit of Badgerbrook pupils.

Also in December the school was subject to a science subject inspection by Her Majesty's Inspectors. Two inspectors spent the day with us looking at science lessons throughout the school, plans and policies and children's work. They also spent considerable time talking to staff and children, especially Mrs Holloway, our Science Co-ordinator. We were very pleased to hear that they were impressed with our work in science and the high standard of teaching and learning. The report can be found alongside our last full inspection in October 2006 on the OFSTED web site.

We continue to focus on improving reading throughout the school. Our Christmas Reading Challenge in Year 1, 2 and 3 was a tremendous success with many children reading regularly to an adult. We are currently in the middle of our Easter Challenge with exciting prizes to be won. We have already noticed a significant improvement in the progress of children of all ages and abilities who have been reading at least three times a week. It really does make a difference!

Staff News

We are very pleased to announce the safe arrivals of Cameron Luke White and Jacob James Newcombe. Mothers and babies are doing well. Congratulations and best wishes to Mrs Sarah White and Mrs Debbie Newcombe. Miss Lincoln started her maternity leave in February. Miss Wolloff returned to school in December and is working with Mrs Blaney in Year 5, Mrs Briers returned in February and is working with Mrs Wright in Year 1, Mr Campbell is teaching in Year 4.

St.Peter's Church of England (Aided) Primary School

St Peter's has been a busy place since Christmas here are some reports on a few of the activities that have been taking place in St Peters:

CROSS COUNTRY NEWS

Six children attended the Mid-Leicestershire Championship at Manor High School in Oadby. The children ran well—all finishing this long and hilly race—quite an achievement. Two children Georgia Smith and Joshua West came in the top 10 and may have the chance to represent Mid-Leicestershire in the County Championships later in March.

We held our own school cross country race for the juniors on Thursday 12th March which was thoroughly enjoyed by those competing.

LOWER JUNIOR PERFORMANCE OF HOODWINKED (BASED ON THE TALE OF ROBIN HOOD)

Over the last few weeks my working environment has been an even more pleasurable place to work, as the Lower Junior department practised their performance of Hoodwinked. On Wednesday I had the chance to see what it was all about as I went along to the performance. All the children's hard work paid off. What a lovely performance it was, and I found myself wondering if any of the children would eventually become famous! Mums and Dads and Grandparents watched with pride as the children performed. I can't wait for the next one.

TWYXCROSS ZOO COMES TO ST PETER'S

Key stage 1 were thrilled this week when we had some rather unusual visitors! If you would never consider Cockroaches, Tarantulas or Snakes as a pet then a visit from Twycross education department will surely change your mind. If certainly did us! after some good advice about what might make a good pet (surprisingly a Madagascan Hissing Cockroach!) and how to keep them. Children were treated to a close up view and allowed to stroke the animals. Mrs Scattergood's favourite was a very cute chinchilla, but not a good pet, as they are nocturnal. The visit was very enjoyable and gave us a useful insight into some of the zoos animals.

NEW IMAGE- WHETSTONE

Following the closure of Whetstone Womens Institute , after many successful years, a group of ladies have started a group called 'New Image'.

Meetings will be held on the first Monday of the month in St. Peter's Parish Centre, High Street at 7.30 and it is hoped to attract new members. Ladies of all ages will be most welcome. Guest speakers, activities and outings all form part of the agenda.. New members will be made most welcome, and enquiries can be made to Tel. No. 0116 2776285 (Mrs. Sandra Greasley for a friendly chat). Please watch out for the posters giving details.

The first meeting of the newly-formed ladies' group took place on March 2nd, 2009 at the Parish Centre.

There was an encouraging start, with an excellent speaker, Ellie Barsby, who presented her craft of "Stained Glass". The techniques were demonstrated of preparing and cutting the glass (of varying vibrant colours) right through to seeing the end product, for example a Tiffany Lamp, and other smaller items, even pendants to be worn as jewellery. Designs were shown of actual windows, and the members were shown Ellie's portfolio which even included a "dog in glass".

Discussion took place regarding the Committee, plans for future events, and a programme is being prepared. This was followed by refreshments and social time.

The speaker on April 6th will be Mrs. Jennifer Rogers, who will present "Encaustic Wax Painting".

I Scout ... could you?

Did you know that Whetstone has a Scout Group?

Well, 1st Whetstone has been meeting at their hut in the village for around 30 years! And we are still going strong!

In fact we are doing better than ever, offering the Scouting experience to around 60 of the local youngsters, from Beavers through Cubs and onto Scouts.

We camp, we go on visits, but most of all we work together to have a great time.

Many of you may have seen us at Christmas escorting Santa around the village on his sleigh. May we take this opportunity to thank you for all your generous donations as it raised much needed funds for the group.

But why do we stay hidden most of the year?

The trouble is we have run out of places for the children of Whetstone and our waiting list is large enough to start both a new Beaver Colony and Cub Pack.

So why don't we?

Well the simple fact of the matter is that we just lack the leaders and helpers required to cover any extra nights.

Maybe you have a particular skill or interest that you could come along and teach us about?

Or maybe you were once a Scout yourself and could share some of your knowledge and experience with us?

We have lots of jobs that need doing from simply making the squash or to helping on our executive committee. Remember helping a voluntary organisation such as Scouting always looks good on a CV and all training is given to support anyone helping out.

A CRB check is required by anyone interested but as this is commonplace in schools and other organisations it is easy to do.

So please don't get in touch to add your child's name to the waiting list as we can't offer any more places at present, but do get in touch to pledge your support and a little time to help us out.

We are a very friendly bunch and can be contacted in a number of ways...

APPEAL FOR NEW FAMILIES

After 20 years we are actively seeking new members to join the Association and strike up a friendship with a French family, for visits to each others homes and the learning of language and customs, this is very useful for families of school aged children as all of our schools teach French.

We have families from surrounding villages there is no need to live in Blaby all are made very welcome.

At present we have approx 16 families who are successfully twinned with a French family some for many years and now we have two French families who would like to join and we are therefore appealing for some new families to join us. The details of the two new French families are ::

1st Family.

Married couple aged 45 and 43 with 2 children aged 17 and 13. Good English spoken.

2nd Family.

Divorced lady with one daughter. Good English spoken.

The French are visiting Blaby Thursday 21st May until Sunday 24th May 2009.

If anyone is interested in a weekend with some very friendly people both English and French now is the time to do something about it pick up the phone and call Jill and Tass Tarry on 2774198 or call and see us at 8 Wareham Road, Blaby.

“Bridging The Way”

Article by Pc Nick Taylor

Hello Parishioners of Whetstone. I am pleased to report that we have seen a relatively quieter period in the village for policing issues since December. Thus, compared to nearby arrears such as Blaby where Friday nights have of late seen large numbers of youths descend on Blaby Town Centre. Incidents of Anti Social Behaviour in Whetstone are surprisingly not being reported periodically around the village. What I can tell you is that the issue Of Anti social Behaviour in and around Bridgeway, and Brook Street is starting to emerge again. It seems again we have a small minority of youths who have little respect for the village and are intent on spoiling things for residents. Litter at this location is being noted as are mopeds and motorcycles blocking footpaths as youths gather and often consume alcohol under age.

My message is that this will not be tolerated and every effort will be made to identify persistent offenders. All range of police powers will be used, including confiscation of alcohol, seizing of offending vehicles, and capturing anti social behaviour on camcorder footage. I am pleased to announce The Whetstone Parish Council has funded a new Head-cam camera, that will enable officers to capture such incidents. Any footage gained of criminal activity will then be used for prosecutions and equally passed to Blaby District Council ASB Team.

I would equally appeal to all residents of Whetstone that if they experience Anti social Behaviour to report it to us. For incidents requiring Police attendance please call us on 0116 222222 unless emergency where 999 can be used.

For issues appropriate to The whetstone Beat Team or for advice you can e mail myself or PC Ward direct.

Our respective addresses are Nicholas.taylor@leicestershire.pnn.police.uk and Nick.ward@leicestershire.pnn.police.uk

Other news, we welcome the arrival of another police Community Support Officer to join The Whetstone Beat. He is PCSO 6176 Tom SHARPE who will work along-side us and PCSO 6111 FRAIN.

We also can tell you as part of The Policing Pledge rolled out by The Government we are offering regular monthly beat surgeries. Initially these will alternate between Whetstone and Blaby and will give residents a chance to meet us and discuss concerns. On Tuesday April 7th we will be at Blaby library between 10.30 am till noon, and Tuesday 12th May we will be at Whetstone Parish Council Offices between 6.30pm and 7.30pm.

For those residents who noted a lot of police activity around Attfield Drive, Whetstone during the evening of Monday 9th March; If anyone was concerned this was an isolated domestic incident which the policing response was standard for the information received. I can tell you an adult male was arrested in connection with a domestic assault.

PC Ward, PC Taylor and CSO Teresa Frain are contactable on 0116 2485675 collar number 1716, 0845 and 6111 respectively.
